Residential Riding Holidays in
5 stars holidayflats

Arrive and feel like home...
Here you will find affectionate reception from childfriendly hosts. In a quiet location, near by the Chiemgau mountains and the Chiemsee, close to the Ratzingerhöhe, our farm house is situated. Because of the beautiful nature all around, this working farm received many awards with the DLG-Sign and was DLG-Holiday Farmhouse of the year.

Our flats

In our mainhouse and in our near by cottage, we offer you our commodious and comfortable holidayflats for 2 – 5 pers., including bed-linen, TV and telephone. For those who don't need much space, we have a cosy single room with balcony looking over the orchard.

All flats and rooms are non-smoking and suitable for persons who have allergies. Our flats have bedroom (double bed), bathroom, sittingroom with dinette and a kitchenette with every comfort.

Your breakfastbuns freshly baked from our bakery will be delivered right to your door with milk melked from our cows and you can watch our hen running around while you are enjoying their eggs for breakfast.

Another special is our homemade jam from the landlady.

Our animals

Kids never have more fun while watching and contacting our animals. That's why we would like to introduce some of them already.
